sms

Sagicor Bank offers the best SMS Banking experience that provides you with immediate access to your bank, 24 hours a day, 7 days a week. Now you can check account balances, get foreign exchange rates, transfer funds and more with just an SMS message.

Getting started:

After logging in to your online banking platform, go to Services then select SMS Banking Configuration

1. **Enter SMS aliases** for your accounts (use a letter and a digit/number, e.g. A1)
2. **Mobile phone number** in the format 1876*****
3. **Input 5-digit PIN** which can be changed at any time (the first 4-digits of the SMS Banking PIN cannot be the same as your regular PIN)
4. **After clicking 'validate', please verify your information** by entering the TAN code that you will receive in a text to confirm that you are the authorised owner/operator of the Internet Banking account

How to use SMS Banking:

It's easy! Select the service you want, type in the corresponding code then send your request to **1876-909-2265**.
