1. Application of Standard Terms and Conditions

These Terms and Conditions apply to all Investments made with us or made by us on your behalf as well as all Investment related services provided by us whether existing or future unless any specific terms and conditions applicable to an investment product provide otherwise. These Terms and Conditions replace our Stock Brokerage and Custody Agreements and supplement our Master Repurchase Agreement but do not apply to any product offered by any Sagicor Affiliate. These Terms and Conditions are to be read in conjunction with the specific terms and conditions of any Investment product or service provided by us and in the event that there is a conflict or inconsistency between any specific terms and conditions of an Investment product or service and these Terms and Conditions then the specific terms and conditions will prevail to the extent of such conflict or inconsistency.

2. Joint Investments

An Investment held by more than one Investor is a joint investment and the joint Investors agree that such Investment is held by them as joint tenants with the right of survivorship and there will be no implied agreement to the contrary. A Joint Investor’s authority in respect of the joint Investment will otherwise cease on proper notification of that Joint Investor’s death being provided to us. The liability of Investors under an Investment held in joint names is joint and several. This means that in the event of any liability arising in respect of the Investment, each and/or all Investors are liable to the full extent of such liability and we shall have the right to recover by suit or otherwise from all or any Investor any amount owing in respect of such liability. Transactions in respect of joint Investments may require the signature of more than one Investor in accordance with your mandate to us. Unless you have indicated otherwise via your mandate to us, any joint Investor shall have the authority to deal in such joint Investment including (a) giving instructions with respect to Investment Actions; (b) request that Securities or payments from any such Investment be made or delivered to any of the Investors personally or to such Investor’s order and give a receipt for same; (c) receive and acquiesce in the correctness of any communications and other records and documents; (d) settle compromise and give releases with respect to any and all claims, demands or disputes; and (e) receive requests and demands for payments or Securities due and notices and demands generally. Each Investor agrees to indemnify us against any loss, claim, damage, liability and expense arising from instructions given by any one of the Investors including any legal costs if we are made a party to any action between or by any of the Investors.

3. Set-off

You hereby charge and we are hereby authorized, to charge and set-off any Investment or the proceeds thereof, to satisfy any debt owed to us or to any Sagicor Affiliate by you or any Joint Investor. Upon any set-off by us, our obligation to make any payment with respect to the subject Investment will be automatically satisfied and discharged. If the amount payable to you exceeds your indebtedness aforesaid, then the excess shall be payable by us to you on the due date in accordance with the terms of such Investment. If your indebtedness exceeds the amount payable to you, then the excess of your indebtedness shall not be extinguished by such set-off but shall remain owing by you to us or the relevant Sagicor Affiliate and shall be payable upon the terms applicable to such

indebtedness. If for the purpose of affecting any set-off or otherwise it becomes necessary to convert the amount payable from the Investment into another currency such conversion shall be effected at the rate determined by us in accordance with our usual investment banking practices.

4. Charging Orders

In the event that we receive an Order of the Court or other legal process which has the effect of charging or garnisheeing moneys standing to your credit or that of any joint Investor, it is understood and agreed that we are obliged to comply with the legitimate order of the Court.

5. Suspending Transactions

Transactions with respect to your Investments may be suspended by us, in whole or in part where: (a) we are of the opinion that suspension would facilitate compliance by us, or by you, with an order by a Court or other competent authority in relation to the your Investments of which we become aware; (b) We reasonably believe that your Investments have been, are being or may be used for unlawful activity or any activity which we in our absolute discretion may consider to be improper including but not limited to activities related to money laundering and the financing of terrorist activities; (c) we consider such suspension to be necessary or appropriate having regard to directives and/or advice received from a Regulatory Authority; or (d) we otherwise consider such suspension to be in our or your best interest. You agree that we shall incur no liability to you for suspending transactions on your Investments, or for the consequences thereof.

6. Investment Confirmations & Errors

We may from time to time deliver to you a confirmation indicating the Investments Actions taken by you or by us on your behalf. A confirmation may state the date of the confirmation and the date of the Investment Action, the value of the transaction, the yield payable thereon, the maturity date applicable thereto, or any other relevant details which we, in our discretion deem necessary or as may be prescribed by law. Each such confirmation is delivered by us on an "errors & omissions excluded" basis and we reserve the right to correct any error or misdescription appearing thereon at any time. You shall be deemed to have accepted the correctness of each of the details set forth in the said confirmation unless you, within seven (7) days after we deliver or post same to you, you notify us in writing of your objection thereto.

7. Payments by Sagicor

All payments due from us to you may, in our discretion, be made by cheque, bank transfer or by any other method of payment which can give value to you expeditiously. If you request a method of payment which attracts banking or other charges, and we are willing to make payment in that manner, the costs thereof shall be for your account.

8. Overpayment

The foregoing shall be in addition to such rights and remedies as we may have under this clause and under the general law. Interest shall accrue and be payable by you to us on the outstanding balance of such sum while it remains outstanding, at the highest overdraft rate from time to time charged by our bankers, both after as well as before any judgment, and such interest shall be payable by you to us on demand and until paid shall be compounded at monthly rests by adding each month's accrued interest to the amount of the outstanding sum. You shall indemnify us and hold us harmless from all losses, liabilities, costs and expenses resulting from your failure to comply with the foregoing provisions of this clause.

In the event that any cheque or other payment tendered to us by you is dishonoured by the payer's bank or otherwise fails to clear for any reason, you shall immediately replace same with good and cleared funds. You shall also indemnify us on demand in respect of all costs and losses incurred by us (including, without limitation, overdraft and other finance charges, and costs and losses relating to our

liabilities to any third party resulting from our not having received value for the payer's funds, and any exchange rate or currency conversion losses) as a result of such dishonoured payment together with interest thereon at our bankers' unauthorized overdraft rate from the date such payment was due until you make full payment to us.

In placing funds on Investment with us, you shall be deemed to have committed to maintain with us the full amount of the funds paid to us for your own account for the entire term of the Investment, commencing on the date the Investment is made and ending on the maturity date of the Investment.

2. Offering Documents

The specific terms of an Investment product issued by us may be set out in an Offering Document published by us prior to the subscription period for such Investment. You agree that the onus is on you to review the Offering Document and to consult an independent investment advisor, attorney or tax specialist to determine if a particular Investment is suitable for you. You acknowledge that Investment products may carry with them the risk of loss of all or part of the funds invested, you therefore agree to indemnify Sagicor and to hold Sagicor blameless from and against any claim or loss whatsoever as a result of any loss occasioned by an Investment except where such loss was occasioned by any fraud, breach of contract or misrepresentation on Sagicor's part.

3. Automatic Rolling of Investments

Provided you have not given pay-out instructions to us upon the maturity of your Investment, you shall be deemed to have agreed to roll your Investment and to have assumed a renewed commitment to maintain with us the full amount of the funds invested by you for the entire period commencing on the day after the date on which your initial Investment matured and ending on the maturity date of the rolled Investment. Alternatively, we may deposit the proceeds of your matured Investment into your Client Trust Account.

4. Early Liquidation

We shall not be obliged to honour your request to pay-out your Investment prior to the maturity date, in the event that we decide to do so, we may deduct from the amount payable to you an early pay-out fee in accordance with our then current schedule of fees or as set out in any Offering Document published by us. A request for early liquidation may be dependent on our ability to sell the Investment to a new investor or to purchase the Investment from you, you therefore agree that: (i) we shall not be obliged to purchase or attempt to sell the Investment; and (ii) in attempting to find a buyer for the Investment we will be acting as your broker in accordance with these Terms and Conditions.

5. Investments linked to Underlying Securities

Some Investments may be linked to underlying Securities or indices in which event, the repayment of principal and the payment of interest or other return is linked to the performance of the underlying Security or index. You agree with us that we shall not be liable to you in the event that there is any default in the payment of any amount due on the underlying Security or index unless the Offering Document with respect to such Investment provides otherwise. Where the maturity date of your Investment coincides with the redemption date of the underlying Security and you have not opted to roll your Investment, we shall endeavour to collect the proceeds of such redemption on such date or as soon thereafter as practicable. It is understood and agreed that we are acting as a broker in these transactions. We shall not be obliged to purchase your interest in the Investment or otherwise provide the funding required to redeem the Investment unless we have received in good and cleared funds, the redemption proceeds in an amount to make such payment to you. Where the maturity date of your Investment is prior to the redemption date of the underlying Security and you are not rolling your Investment, we shall use commercially reasonable efforts to find other investor(s) who are willing to acquire all or a part of your Investment on the maturity date of your Investment in which event you agree that we are acting as a broker for these purposes. We do not undertake to purchase your Investment or otherwise provide the funding required to pay to you the value of your Investment until we have received in good and cleared funds the payment due on the underlying Security.

6. Authority to Reinvest Funds on Maturity

Unless otherwise agreed between us, on maturity of your Investment, you hereby authorize Sagicor to reinvest all or any part of the proceeds thereof in such manner as Sagicor shall, in its absolute discretion, deem fit, in one or more Investments of a similar type to the matured Investment but which may have a different (higher or lower) yield and may comprise a different (higher or lower) credit risk than the matured Investment. If there is no (or no suitable) investment opportunity available to Sagicor for the proceeds held for your account during such periods you may earn the minimum prevailing yield on the funds invested by you with Sagicor.
