Units may be bought or sold on any Business Day at the prevailing offer and bid prices respectively, subject

The Managers or its delegate may set any other such minimum initial or subsequent subscription, for any portfolio, at its sole discretion.

The “ask” price is the price at which the Managers will sell units to members of the public. The “realization” price is the price at which the Managers will repurchase units from unit holders.

The Managers may suspend the payment of any Realization Price for a period of up to three months from the date of receipt of a Realization Notice if in the Manager’s determination it is prudent to suspend such a payment.

(b) Price Quotations and Charges

The Funds’ Portfolios of investments are carried at fair market value using the bid price prevailing. Quoted equities are valued at the closing bid price on the Stock Exchange of the market of issue or such other stock exchange, as the Managers may decide. The prices for other asset classes are based on the prices prevailing at the close of business in the markets in which such assets are traded.

Unit prices are valued each business day and will be published on the Sagicor Group Jamaica website. The bid and ask prices will be published at least once per week in a daily newspaper in Jamaica.

The issue price of units in a Portfolio is calculated by dividing the value of that Portfolio by the number of units in issue. To this resultant value per unit is added an appropriate provision for fiscal and purchase charges attributable to each Unit of that Portfolio. The Realization Price (the price at which the unit holder will sell his units back to the Managers) of units is calculated by dividing the value of the Fund’s Portfolio by the number of units in issue.

The preliminary charges as at the date of registration of this Offering Circular are as follows:

- 1) All Sigma portfolios have no minimum preliminary charge. However, the Managers will apply a penalty charge if the investment is withdrawn before the minimum holding period. The Sigma portfolios have a minimum holding period of ninety (90) days, except for Sigma Income, Sigma Principal Protector, Sigma Global Income (USD), Sigma Principal Protector (USD) and Sigma Real Estate. If investments are redeemed before the minimum holding period of ninety (90) days, a penalty of four per cent (4%) will be charged on the realization price.
- 2) The Sigma Real Estate portfolio has no preliminary charge. However, the Managers will apply a penalty charge if the investment is withdrawn before the minimum holding period of three (3) years. If investments are redeemed before the minimum holding period of three (3) years, a penalty of four per cent (4%) will be charged on the realization price.

Any change in the fees described above will be subject to the Managers providing written notice, by publication on the websites of Sagicor Group Jamaica and/or in a daily morning newspaper. The notice will be published at least one (1) month prior to the effective date of the increase or change.

Unit prices will be determined based on the Net Asset Value (“NAV”) of the respective portfolio as computed at close of business on the day the Managers receives the request for subscription for units. Orders for purchase of units will therefore be executed at the price prevailing at the close of each business day for orders received by 2:30 p.m. Monday to Thursday and 3:30 p.m. on Friday. Unit holders will be notified on the following business day of the number of units purchased based on the price of each unit and the funds received less any applicable fees and charges.

Orders for sale of units will be executed at the price prevailing at the close of the previous business day.

Clause 11 B (c) of the Trust Deed states that realization can be effected either by the purchase and payment of the realization price of unit by the Managers or by the redemption of the units and the payment of the realization price out of the portfolio or partly by one method and partly by the other.

8. BORROWING

The Managers are allowed to borrow money in an amount up to ten per cent (10.0%) of the aggregate value of the investments and cash forming the Deposited Property if such borrowing is deemed to be advantageous by the Managers. Such borrowing would, of course, be chargeable upon the assets of the Fund or a Portfolio thereof.

9. INVESTMENT POLICY

The Fund will be so managed in order to provide investors with the highest possible returns on carefully selected portfolio(s) of investments. Bearing in mind that the value of certain underlying investments may fluctuate, and to ensure that the Fund's investment goals are achieved, the Managers may not:

- i. Invest more than 10% of the total value of the Deposited Property of the Fund in any one company or issuer. These restrictions do not apply to:

- iv. Invest more than 10% of the value of the Fund in unquoted securities.
- v. Invest more than 15% of the net asset value of the Fund in illiquid securities

These limitations apply immediately after the investment is made, but if through appreciation the limits are exceeded, then the Managers may not make further acquisitions in the respective class until they have divested themselves of the appropriate class of investments.

The Sigma Income, Sigma Principal Protector, Sigma Global Income (USD) and Sigma Principal Protector (USD) portfolios participate in variable rate securities or securities with a target weighted average maturity of no more than 2.5 years to allow for relative price stability.

10. INVESTOR PROFILE AND SUITABILITY

Market value changes of the assets held in the Fund are reflected in the NAV and therefore unit holders must be willing to accept risks which may result in a decline in NAV. These risks include market risk, foreign currency risk, interest rate risk, liquidity risk and credit risks including default risk. Investors should therefore speak with their investment advisors to determine the suitability of an investment in the Fund. 16. UNIT TRUST PRICE MOVEMENTS

The purchase of units in a well-managed Unit Trust is a method of investing on a regular basis with the advantage of continuous professional investment expertise. However, because there will always be fluctuations in the price of securities or other investments, there can be no guarantee that the Unit Trust price movements will only be upward. However, experience has shown that the long-term trend in the value of stocks, shares and real estate is likely to be upward. There is no real assurance that income (or yield) from the underlying investments of the Fund will grow, as such income (or yield) can fluctuate over time.

17. STATEMENT OF INVESTMENT

In addition to the last audited statements of the Fund, Unit Holders can obtain a list of Investments held by the Fund as at the end of each quarter on request from the Managers. In the event that any asset or liability cannot be attributable to a particular portfolio, that asset or liability shall be allocated to all portfolios to which it is attributable pro rata to the values of those portfolios at the time of allocation except that all liabilities, to whatever portfolios they may be attributable, shall unless otherwise agreed on with the creditors, be binding on the Trust as a whole. Losses will not be transferred from one Portfolio to the next.

18. SPECIAL TAX CONCESSIONS

Unit Holders benefit from the following tax concessions:

- a) The income received by way of dividends by the Trustee (in his capacity as Trustee of the registered Unit Trust) is received without deduction of tax.
- b) Unit Holders pay no Transfer or Capital Gains Tax on sale of their units in Sigma Equity, Sigma Global Venture and Sigma Global Equity.
- c) The Sigma Bond, Sigma Global Bond, Sigma Global Bond (USD), Sigma Global Corporate, Sigma Global Corporate (USD), Sigma Real Growth, Sigma Money Market, Sigma Income, Sigma Global Income, Sigma Global Markets (USD), Sigma Principal Protector and Sigma Principal Protector (USD) portfolios are tax-free for individuals if held for over five years (maximum investment of J\$1M or equivalent per year) if operated in accordance with the relevant provisions of the Income Tax Act - Section 12 (AK).
