Dear Valued Client,

Re: Caricare Cards for new enrollments effective December 1st, 2017

Sagicor Life Inc. currently issues a maximum of two Caricare cards, for the insured and the spouse only, free of charge.

Effective on and after December 1st, 2017, any person enrolling on to a group policy, without a dependent spouse, but with a dependent child, will receive a Caricare card for that dependent child free of cost.

If the insured is desirous of requesting an additional card after the first two cards are issued free of cost, they will be subjected to a fee of \$20.

We deeply value your relationship with **Sagicor** and are committed to providing you with the highest level of service simply because our customers deserve the very best.

Yours truly
SAGICOR LIFE INC
