Forward-looking information

Certain information contained in this presentation may be forward-looking statements within the meaning of Canadian securities laws. Forward-looking statements are often, but not always, identified by the use of words such as “expect”, “anticipate”, “believe”, “foresee”, “could”, “estimate”, “goal”, “intend”, “plan”, “seek”, “will”, “may” and “should” and similar expressions or words suggesting future outcomes. These forward-looking statements reflect material factors and expectations and assumptions of Sagicor. Sagicor’s estimates, beliefs and assumptions are inherently subject to uncertainties and contingencies regarding future events and, as such, are subject to change. No assurance can be given that growth or capital optimization will occur or be successful. Risks and uncertainties not presently known to Sagicor or that it presently believes are not material could cause actual results or events to differ materially from those expressed in its forward-looking statements. Additional information on these and other factors that could affect events and results are included in other documents and reports. Readers are cautioned not to place undue reliance on these forward-looking statements, which reflect Sagicor expectations only as of the date of this document. Sagicor disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by law.
