**Timeless, Borderless, Colorless**

**Timeless**

We are building a company for today, which is relevant now and will continue to be for all times. We will always innovate and embrace change, never allowing ourselves to become staid or obsolete so that we retain our edge to compete in the future.

**Borderless**

We view ourselves as members of one organization and will not be constrained by any self-imposed physical, intellectual or cultural limitations. We will conduct our business in a way that truly reflects this philosophy.

**Colorless**

We conduct our business and personal relationships on that consciously high level, which creates an environment characterized by a philosophy of equitable treatment and equal opportunity for all.
