PRIVACY POLICY

In general, any disclosures to affiliated or nonaffiliated third parties will be for the purpose of them providing services for us so that we may more efficiently administer your policy and process the transactions and services you request. Our agreements with third parties require them to use this information responsibly and restrict their ability to share this information with other parties. **We do not sell information to either affiliated or non-affiliated parties.**

We also may disclose the information we obtain about you to companies that perform marketing services on our behalf or to other financial institutions with which we have joint marketing agreements. The information we may share may include your name, address, phone number, email address, and the product(s) you own.

We do not internally or externally share health information other than, as permitted by law, to process transactions or to provide services that you have requested. These transactions or services include, but are not limited to, underwriting life insurance policies, obtaining reinsurance on life policies and processing claims for waiver of premium, accelerated death benefits, terminal illness benefits, or death benefits.

You should know that if your producer is independent of Sagicor, he or she is responsible for the use and security of information you provide him or her. Please contact your producer if you have questions about his or her privacy policy.

**ACCESS AND QUESTIONS**

Dear Customer:

Sagicor Life Insurance Company ("Sagicor") significantly values your trust in us. We truly understand our duty to protect and responsibly use the information that you share with us, and we pledge our commitment to fulfilling that responsibility. This notice of our Privacy Policy is to inform you on how we treat our customers’ information.

**SAFEGUARDING INFORMATION**

We have security practices and procedures in place to prevent unauthorized access to your nonpublic personal information ("information"). Our practices of safeguarding your information help protect against the criminal use of the information.

Our employees receive training, are bound by a Code of Conduct requiring that all information be kept in strict confidence, and they are subject to disciplinary action for violation of the Code. We restrict access to information about you to those employees who need to know that information to perform their job. We maintain physical, electronic, and procedural safeguards, which comply with federal and state regulations, to guard your information.
