# Sagicor's FISPWD is available through Accelewriting®

Sagicor's Accelewriting® process is an automated underwriting system that provides an underwriting decision in minutes and eliminates the need for a face-to-face meeting with an agent and telephone interview. In some cases, additional requirements may be required, such as medical exams, bodily fluids and Attending Physician's Statements (APS).<sup>1</sup> These cases will automatically be referred to underwriting without the need for a new application which provides a 'fast track' to the underwriting review and approval process.

Sagicor's Accelewriting® process is used with our eApplication at the point of sale with policy eDelivery available. The minimum single premium amount is \$5,000 and policies are available from ages 18 years to 85 years.

## Features & Benefits

### BONUS

10% of the single premium paid is automatically applied to the policy at issue.

### GUARANTEED INTEREST

A lifetime minimum guaranteed interest rate of 2% eliminates the worry of market volatility plus your policy has future credited interest upside potential.

### GUARANTEED RETURN OF PREMIUM FROM DAY 1

Your single premium payment is guaranteed from day one. In the unlikely event that you surrender your policy, you are guaranteed to receive at least 100% of your initial premium back, less any outstanding loans, withdrawals or Accelerated Benefits paid out.

### LOANS

Loans are available anytime after the first policy year for emergencies and opportunities.<sup>2</sup>

### PARTIAL WITHDRAWALS

Partial Withdrawals<sup>3</sup> are allowed at any time. A withdrawal charge will apply if the partial withdrawal is taken during the surrender charge period. Withdrawals will reduce the policy face amount. The minimum partial withdrawal is \$500.

### GUARANTEED DEATH BENEFIT

The minimum death benefit is guaranteed from day one regardless of changes in your age or health. Also, your death benefit can increase over time as your cash value inside the policy may increase. Death benefits to a named beneficiary are generally probate free.

### TRIPLE TAX ADVANTAGE

Sagicor's Fixed Indexed Single Premium Whole Life policy provides tax-deferred interest earning on the cash value account, the compounding of interest on interest is tax-deferred and the death benefit maybe free from federal income taxes.<sup>4</sup>

### RIGHT TO EXAMINE POLICY

### FEES AND SURRENDER CHARGES

Administrative fees, expense charges and cost of insurance charges will be deducted every year, as outlined in the policy. A policy surrender is subject to the surrender charge below. The surrender charge schedule will not affect your 100% Guaranteed Return of Premium.

# Accelerated Benefit Insurance Rider

The Accelerated Death Benefit Rider is included at no additional cost. This rider advances a portion of the death benefit to the owner, prior to the insured's death, in the event of a Terminal Condition or a Chronic Illness. The death benefit of the policy must exceed \$25,000 to be eligible for any acceleration. The maximum accelerated benefit available is the lesser of \$250,000 or the policy death benefit less \$25,000. A one-time administrative fee, the lesser of \$250 or the maximum allowed by state law, will be deducted from the elected accelerated benefit amount. Only one type of Accelerated Death Benefit is payable; the owner cannot receive a payment based on a Terminal Condition and a payment based on a Chronic Illness.

## TERMINAL CONDITION BENEFIT

A terminal condition can be devastating for you and your family. Terminal Condition means the insured's death is expected within 12 months or less. The elected accelerated benefit amount will be paid in a lump sum.

## CHRONIC ILLNESS BENEFIT

A chronic illness can limit one's ability to perform life's daily living functions. Chronic Illness means that the insured is unable to perform, without substantial assistance from another individual, at least 2 of 6 Activities of Daily Living (ADLs) for a period that is expected to last at least 90 days due to a loss of functional capacity.

The Activities of Daily Living are: Eating, Toileting, Transferring/Walking, Bathing, Dressing, Continence.

The benefit will be paid out in 33 equal monthly installments. In some states, the policy owner may choose to receive a portion of the accelerated death benefit amount due to a chronic illness as a lump sum payment. If a lump sum payment is chosen, the amount of the payment will be 90% of the elected portion of the accelerated death benefit amount.
