What is Sagicor’s Accelewriting® process?

Inherent Rider

Sage Whole Life also provides additional protection through its inherent Accelerated Benefit Insurance Rider. This rider is included at no additional cost.

ACCELERATED BENEFIT INSURANCE RIDER

The Accelerated Benefit Insurance Rider will help cover medical costs by allowing you to use a portion of the death benefit proceeds if you are diagnosed with a terminal condition. The benefit amount is the lesser of $250,000 or the face amount less $5,000. A one-time administrative fee, the lesser of $250 or maximum allowed by state law, will be deducted from the elected accelerated death benefit amount and the remainder will be paid in a lump sum.

Optional Riders

ACCIDENTAL DEATH BENEFIT RIDER

This rider provides an additional death benefit to your beneficiaries if death occurs due to a covered accident.

CHILDERN’S TERM RIDER

This rider provides term life insurance protection for your children, ages 15 days to 19 years, and remains in force for each child until the earlier of age 25 or marriage. At the end of the term period the benefit may be converted to an eligible permanent life insurance policy for up to five times the original amount, regardless of their current health.
