“It is my goal this year to hear the Barbados National Anthem played at the Olympic Games.” Those were the words of Olympic Bronze Medallist and Youth Ambassador, Obadele Thompson, at the re-branding reception for Sagicor General Insurance. In his acceptance speech, the 100 and 200 metre sprinter said he was thankful for the contribution towards his training.

The cheque was presented by Ms. Claudette Arthur, Financial Controller, who said Sagicor General was proud to support Obadele Thompson as he prepared for Athens. Ms. Arthur said the support was given to a mentor for our youth and an athlete who demonstrated the principles of honest and fair play.
