Important Information for our Mortgage Clients

Sagicor continues to monitor COVID-19. We are aware that some of our valued clients may be impacted financially through the uncertainty created by this pandemic. We care about our clients and to help have created a debt relief program for both our residential and commercial mortgage clients. Mortgage borrowers can with immediate effect request a **3-month loan deferral plan commencing April, 2020**.

If you do not wish to avail of this opportunity you should continue your current payment program. For those wishing to benefit we invite you to email us at **mortgages@sagicor.com** or call **268-484-5552** to apply for the 3-month deferral plan.

All late penalties will be waived; however, interest will continue to accrue on your loans. The loan term may be extended thereafter. Loans must also be in good standing to qualify for the debt relief plan.

We encourage you to stay safe and stay home!
