

Sagicor applauds all our healthcare heroes actively defending our good health as we combat the COVID-19 virus. You are nothing short of heroes and we want you to know: **‘We see you!’**

In recognition of your continued efforts to preserving lives, we are honouring yours, with a plan exclusively designed for active frontline individuals in the health fraternity, including Physicians, nurses, pharmacists, dentists, health care professionals and the persons who work with them. This product is the Healthcare Heroes Plan, offering Group Life Insurance with Accidental Death and Dismemberment (ADD) and Critical Illness (CI). Coverage is also extended to spouses and dependent children.
