What's the advantage for me?

A serious illness is trouble enough without worrying about financial hardship. The Sagicor CariCARE™ Protector Plan will alleviate the concerns of you and your loved ones, allowing you to concentrate on getting better. Sagicor also has no deductible health coverage, which allows you to instantly start receiving the benefits of your plan.

FAQs

⊖ How does it work?

CariCARE™ Protector is Sagicor's health product for individuals, which provides benefits within certain parameters in the event of a medical illness. Dental and vision, offered together can be added to the medical benefit as an option.

⊖ How do I pay for this insurance?

Premiums can be paid monthly, quarterly, semi-annually and annually. The product is renewable yearly on the policy anniversary provided that the lifetime maximum is not exceeded.

⊖ How do I get my benefit?

The CariCARE™ Card also facilitates instant claim settlement at local participating providers subject to the deductible option chosen for the portion that is covered under the plan. This allows you to swipe and save without having to wait to be reimbursed.

What if I'm travelling outside my local country?

Being a CariCARE™ Plan Member, you are provided with a Medical Card that affords you enhanced protection against emergencies while traveling or assistance for overseas treatment by Pre-Arrangement with Sagicor. Your card ensures that all your eligible medical bills related to emergency anywhere in the world are paid. A single phone call activates a series of events that leads to prompt and efficient medical care that can help you and your Dependents in an emergency.

The CariCARE™ out of country treatment while traveling provides access to Sagicor's overseas medical intermediary, Global Medical Management Inc (GMMI) and provides access to a wider network of healthcare providers both locally, regionally and internationally.
