

# The World Changed... Just So

BY **De-Ann Smtih** Posted **September 24, 2020**

We all know that things evolve, things change, and we need to adapt to life the best way we can and roll with the punches. However, 2020 is a year for the books for most. The Covid-19 pandemic was a serious challenge to our lifestyle and health. Life as we knew it changed, the world changed...just so! Jobs lost, businesses closed, family members passed, financial hardships, and it all happened in what seems to be the snap of a finger.

The world has changed, and meeting life's challenges can be demanding. With life's uncertainties, you need a plan! Adapting to what life throws at us means that we must be flexible, and our plans must be flexible.

## **Sagicor Life Changer**

We need a life changing plan that allows us to protect ourselves and our families. Sagicor Life Changer is a perfect combination of coverage and savings which provides a guaranteed return on interest and access to cash surrender value.

### **Is your insurance flexible enough?**
