OPPORTUNITIES FOR EVERY STAGE OF LIFE

Dealing with life's challenges, whether personal or financial, can be overwhelming. To ensure a comfortable and secure future for you and your family, there are many factors to consider: Interest rate variations; provision for children's education; retirement planning or simply to saving for the future.

CREATE A LEGACY AND PLAN FOR THE ROAD AHEAD

Endowment policies provide additional benefits for their owners by complementing traditional life insurance coverage with a lump sum payment at the end of a specific term. Sagicor 175 Endowment Plan II policies provide life insurance protection over terms ranging from 10 to 25 years, with cash value accumulation* and a special maturity bonus.

At maturity, Sagicor 175 Endowment Plan II policies will pay a lump sum benefit equivalent to the Sum Assured (100%) plus a special bonus equivalent to 75% of the Sum Assured.

If the insured dies before maturity, the death benefit specified in the policy will be paid.
