Non Medical Plans

As the name suggests, non-medical life insurance assumes no medical test when issuing a policy as opposed to a traditional policy where medical tests are required (e.g. blood test, blood pressure, etc.).

Whole Life Series

Whole Life insurance provides coverage for your entire life, rather than for a specified period of time. This type of insurance guarantees a death benefit as well as a cash value component. A portion of your premium will go towards building cash values over time.
