Sagicor

overview

The Sagi-Gold Accumulator Plan is an equity-linked insurance plan, which is structured to provide insurance protection with medium term fund accumulation to individuals up to age 60, and insurance protection to individuals aged 61-75.

Additional Product Benefits

features and benefits

The minimum sum insured is $1,000,000, while the maximum sum insured is $6 million per life insured. You may contribute any premium, subject to a minimum amount determined by the Company from time to time. You can ensure that your contribution maintains its value in real terms by choosing Automatic Indexation on the Application. A percentage of each premium paid is invested each month on your behalf in the Sagicor Segregated Funds. You may determine the proportion of these premiums to be allocated to each Fund. Apart from the Basic Sum Insured, the benefits payable under this plan are not guaranteed, but will fluctuate with the market values of the assets supporting the Funds.
