TERMINATION

The plan terminates:

- Upon death of the employee
- Termination of employment
- The date the dependent child ceases to be a dependent as defined previously

CONVERSION

If the coverage ceases by reason of the employee's termination of employment, the dependents will be eligible to convert, less than or equal to the sum insured without evidence of insurability, to an Individual Life policy providing their age at conversion is aligned with the maximum age of entry.

Dependent Life may be converted to one of the following policies:

- Life Protector - maximum age of entry is 60 years for spouse and 18 years for children.
- Purple Shield - maximum age of entry is 70 years.

The plan may convert to the above-mentioned only if a spouse is covered; children under the age of eighteen (18) years cannot be solely covered.

- Ultra Life - maximum age of entry is 80 years.

INCREASE IN COVERAGE

Provided that this policy has been in effect for one (1) year, the employee may opt to adjust the benefits at any time.
