Sagicor Connect

Sagicor Connect is our online platform that allows both employers and members to manage their group insurance benefits.

You can now:

- Enroll for employee benefits
- Add or update member data
- Browse, select and purchase Voluntary Benefits that can supplement employer benefits
- View your electronic e-card
- Submit claims
- View and track claims that you have submitted
- Request replacement cards

Coming soon:

• Submit requests for pre-authorization of medical procedures

How To Get Started
