## Overview

Sagicor Insurance Brokers Limited is a subsidiary of Sagicor Life Jamaica which makes it a part of the insurance conglomerate, Sagicor Financial Corporation. It is managed by a General Manager who reports to the Board of Directors.

The company commenced operation in January 2008 with a mandate to capture niche groups through the marketing of a comprehensive range of ordinary long term and equity linked insurance products, in both Jamaican and United States dollar.

SIB is the first company in Jamaica to be granted a facultative placement brokerage license by local regulatory authorities, to legally tender United States dollar denominated insurance products through an offshore insurer. SIB is also licensed to offer property insurance, an area which we plan to pursue in the future.
