Sagicor

overview

You can now submit your telemedicine claims online using Sagicor Connect's Telemedicine Claims portal.
How does it work?
1. Your provider submits your claim
2. You are prompted to log in
3. You add your health card/s information
4. Upload supporting Document
In 4 easy step you can now submit your Telemedicine Claims online. Yes, it is that simple. Ask your doctor if they're registered.
