

Joanna Banks

Executive Vice President, Strategy and Business Development, and Chief Technology Officer Sagicor Group Jamaica Limited

Ms. Joanna Banks is the Executive Vice President, Strategy and Business Development, and Chief Technology Officer at Sagicor Group Jamaica.

She holds an undergraduate degree in Systems Engineering from the University of Pennsylvania, and an MBA from the University of Chicago Booth School of Business. She is also a CFA charterholder.

Prior to joining Sagicor, Ms. Banks was the CEO of PanJam Investment Limited (now Pan Jamaica Group Limited). She also worked at Exxon Mobil Corporation, Deere & Company, and Pan Caribbean Financial Services Limited. As such, she has over ten years of senior management experience in roles focused on corporate finance, investor relations, pension fund management, and strategy.

Ms. Banks has been a director of several companies within the Sagicor Group, including Sagicor Life Jamaica Limited and Sagicor Investments Jamaica Limited. Outside of the Group, her directorship has spanned the boards of companies such as PanJam Investment Limited, Agostini Limited, and the University Hospital of the West Indies.
