

5 Reasons to Get a MyCash Card

Posted **June 19, 2019** In **mortgage**

What do you get when Sagicor Bank teams up with fellow innovators Digicel? The MyCash Card! Not familiar with it? Well, here are 5 reasons why you need to have this card in your wallet.

SUPER EASY SIGN UP

The whole point of the card is to make life easier – beginning with the sign-up. There are no fees to pay and no application forms to sign. You don't even require a bank account! Just download the app, complete the registration form and submit your ID*. Once you collect your free prepaid Mastercard at Sagicor Bank, you're all set to go cashless!

SAFE AND SECURE

If your MyCash card gets lost or stolen, you can lock it instantly via the app then call us to request a replacement card and we will send you one immediately.

CONVENIENT AND ACCESSIBLE

Use your card to shop online, pay bills or for everyday purchases. Wherever in the world Mastercard is accepted, your MyCash card will be too. You can access your money from ATMs worldwide, once they have the Cirrus mark.

SEND & RECEIVE MONEY

Send and receive funds from other MyCash users instantly, straight to your MyCash Jamaica card. Receiving money from overseas? The rates are cheaper than other options.

EASY MONEY MANAGEMENT

Can't quite stick to your budget? Your MyCash card is prepaid, so there's no chance of overspending. Pretty cool, right? Plus the mobile wallet application gives you control of your money, providing instant balance updates.

We know you value innovative and inclusive financial services. That's why we've designed MyCash, making money transfers and payments safe, simple and accessible to everyone. That's the power of MyCash & Sagicor Bank Jamaica. Visit www.mycashjamaica.com for sign up information.

**Additional information may be required depending on MyCash card option requested.*
