Which Sagicor Life product do you like the most and why?

The Sagicor Life benefit that I like the most, is the Ultra Life. Reason being, it not only provides benefits for the clients when they are alive, but offers great financial support for their loved ones in the event they passed on. This greatly allows the family to enjoy the same lifestyle that they are accustomed to, pays for the children continued education, takes summer vacation among other benefits.

How do you stay motivated as a leader?

I am self-motivated, and have an inter drive to succeed. Hence, I do not depend on external factors to motivate me. I live for today as if my mere existence depends on my survival to achieve.
