How long have you been a Sagicor Life advisor?

I have been an Sagicor Life advisor for over 4 years

What do you enjoy the most about being an advisor?

I love the fact that I get to meet someone new almost everyday from all walks of life, to hear them share their individual stories and their financial goals for the future. It gives me great joy to know that I am able to offer sound financial advice that will turn those goals into reality.

What is your biggest/most fond accomplishment in your career as an advisor?

Qualifying for the highly esteemed Sagicor Convention. When I started sagicor I doubted my capabilities of ever qualifying, so it was a big thing for me. Especially because I qualified with a few more months left to spare.

Which Sagicor Life product do you like the most and why?

One of the most amazing thing about Sagicor is that we have a product to fit every need. However, A personal favourite is the Ultralife because it is so dynamic. It can solve a lot of problems and fill so many needs all at the same time.

Contact Krystle to talk about your financial goals.
