How long have you been a Sagicor Life advisor?

I have been an Sagicor Life advisor since January of this year.

What do you enjoy the most about being an advisor?

I enjoy providing information and solutions to clients that protects their families and themselves from life's eventualities.

What is your biggest/most fond accomplishment in your career as an advisor?

Qualifying for Sagicor High Flyers twice as well as qualifying for Century Club

Which Sagicor Life product do you like the most and why?

I love the Total Woman the most because it's an all in one plan designed specifically for woman- providing holistic protection against critical illnesses, pregnancy complications, birthing complications, ductal carcinoma in situ (DCIS). The plan also has an investment component along with a life insurance coverage (not caused by any of the critical illnesses).
