Meet Jennifer Philp from the Knutsford Branch, one of our Super Producer for September.

Q: How long have you been a Sagicor Life advisor?

A: I have been a Sagicor Life advisor for the past 16 years.

Q: What do you enjoy the most about being an advisor?

A: What I enjoy most about being an advisor is the fact that I make my clients dreams become reality. For example when I show a client how much he needs to save to get a certain lump sum in 10 years or at retirement. This fulfils my purpose hence his dreams becomes reality.

Q: What is your biggest/most fond accomplishment in your career as an advisor?

A: My biggest accomplishment in my career is achieving my home and enjoying a happy family life, because this job can steal your family time if you are not careful. Therefore I try to incorporate my family in the business. I am also pleased to see both sons successfully working.

Q: Which Sagicor Life product do you like the most and why?

A: The Sagacor product I like the most is Life insurance with investment, that is ultralife plan. It can be used For income continuance, security at the bank, for mortgages as a collateral, cash secured loan at lower interest rate when the policy is matured. It's a awesome product.
