

President's New Year Message

Posted **January 01, 2020**

Dear Team,

2020 is set to be an exciting year for Sagicor Group Jamaica, as we celebrate a milestone 'golden' 50th anniversary on June 1. As we reflect on our journey, which began with a dream of our Founder and Director Emeritus, Honourable R. Danny Williams, and the rich history we have inherited over the past five decades, the Sagicor family is tremendously happy. We beam with pride and joy to be a part of such an iconic legacy of great leaders and team members who have impacted so many lives positively over the many years. Many have contributed to the great company we are today.

On behalf of the entire Sagicor Board of Directors, Executive Management and Team, I want to say 'Thank You' Jamaica for making us #SagicorStrong for 50 years. We look forward to your continued support for the next 50 years and beyond as we commit to improving the lives of the people in the communities in which we operate.
