

Megan Tapper- Saluting Jamaica, 60 years strong

Posted **August 05, 2022**

In recognition of Jamaica's 60th anniversary of Independence, we are sharing the personal stories of our clients and friends on what this independence means to them.

"Jamaica is everything! The people, the culture, the food is just a vibe. I am proud to be Jamaican.

One of my favourite things to do in Jamaica is watching running events. Nothing comes close to the energy and excitement of the people cheering on the athletes. It is the most exhilarating feeling.

My wish for Jamaica is that we all come to the realization that each of us can make a difference and we can be the change we want to see in our country."
