

The Millers- Saluting Jamaica, 60 years strong

Posted **August 05, 2022**

In recognition of Jamaica's 60th anniversary of Independence, we are sharing the personal stories of our clients and friends on what this independence means to them.

"One of our most memorable events is the Jamaica 50 celebrations. The Grand Gala with the fireworks and bikers was very exciting for us. We remember watching the 2012 Olympics in the festival village and just the joy we felt together as a couple and as a people in that special moment.

We both love Jamaican culture- the food, the language, the music, and the art. These are what make us special as a people and it is very important that we preserve these aspects of our culture for future generations."
