

Oral Heaven- Saluting Jamaica, 60 years strong

Posted **August 05, 2022**

In recognition of Jamaica's 60th anniversary of Independence, we are sharing the personal stories of our clients and friends on what this independence means to them.

"I love the freedom of travelling around the island with my family and enjoying the beauty that the different parishes have to offer. That for me is the spirit of independence- to be able to do as you wish without restrictions.

I am happy to be from a place that gifted the world with one of the best music- Reggae. I love the energy and spirit of the beat, the dance and vibe it gives."
