Top 5 Ways to Do Business With Sagicor Online

BY Andre Reid Posted August 09, 2021

Ecommerce is the future and no one understands that better than Sagicor, especially at this point in history when the world is battling a global pandemic. As many companies and individuals continue to make the adjustment, www.sagicor.com allows our customers to access all our products and services while engaging with our friendly client care team. Whether you are looking for personal solutions or business solutions, our website offers information on all of our business lines and is conveniently accessible from any device.

Let's look at the Top 5 Ways to Do Business with Sagicor Online:

E-Banking with Sagicor

Sagicor Bank offers a wide range of products and services online via e-banking or virtual banking, allowing customers to conduct business without physically going to a branch. You can start by opening either a savings or chequing account with us and then enjoy the convenience of transferring money to other accounts, paying bills, managing foreign exchange transactions or applying for loans in a safe, easy way at www.sagicor.com from any device.

Insuring with Sagicor:

At www.sagicor.com our customers can request quotes for life insurance, health insurance or automobile insurance from any page on our website. For the first time in the Caribbean, Sagicor's eLife also allows customers to purchase life insurance products online. Should you require direct assistance from any of our client care professionals, you may utilise the live chat option or email us directly from our website should you have additional queries.

Investing with Sagicor

If you want to learn more about how to create, grow and preserve your wealth then visit www.sagicor.com and after viewing the range of solutions available to choose from, you can speak with a financial advisor by clicking the tab on the investment page of our website. eInvest by Sagicor Investments also allows customers to conduct further business online ranging from Initial Public Offering (IPO) applications, Additional Public Offerings (APO) and other public offers all conveniently from any device.

Pensions at Sagicor

Visit www.sagicor.com to engage with experienced market leaders who are experts in retirement planning and can guide you to the retirement product that is right for you. Discover the many solutions available including Sagicor Lifestyle, an Approved Retirement Scheme where participants' contributions accumulate until retirement. You can apply online from any device and start your journey to retirement with a Sagicor pension arrangement today!

Mortgages at Sagicor

Owning has never been more convenient and at Sagicor, we have a wide range of residential mortgage solutions to

suit every customer. Whether it be a residential mortgage, construction mortgage or home purchase mortgage, let our team of professionals take you by the hand and help you realise your dream of home ownership. Visit www.sagicor.com and have a live chat with a client care professional to learn more or complete and submit your application to start with us.
