Sagicor

Schedule your in-person or virtual customer service appointments from the comfort of home.

You can now book a specific date and time to interact with our team members in person or online! You can now book your in-person appointments at any of our branches. In addition, you can continue to connect with us virtually for all other services using eConnect - our virtual client experience platform. Please provide your contact information and let us know the nature of your business when scheduling your virtual appointment. Our representatives are at your fingertips!

To get started, select the type of appointment which suits your needs.

Disclaimer

- **For Quality Assurance purposes, all virtual meetings will be recorded.**
- **We will only retain your personal information for as long as is necessary or as stipulated by law.**

eConnect

Enjoy safe, convenient customer service from the comfort of your home with eConnect - Sagicor's new Virtual Client Experience Platform.
