Sagicor

overview

Through the use of Term Life Insurance and an Investment Fund, the Platinum Education Plan offers parents the opportunity to give their children the head start that they deserve in life.

AFFORDABLE INSURANCE — With the Platinum Education Plan, the term is level until the child is 21, and renewal is guaranteed at the same rates through the age of 80 if the client is a non-smoker.

FLEXIBILITY — You can decide how much insurance you would like for your child. You can also adjust the insurance protection and the premiums to suit changing needs.

INVESTMENT — Part of your premium goes towards an interest-bearing fund, allowing you the options to use the money for your child's tuition, college expenses or any other reason you may require.
