

overview

The Triple Protector Plan is a critical illness insurance policy designed to provide a lump sum on the onset of Cancer, Heart Attack or Stroke.

WHO CAN QUALIFY — It is available to persons between the ages of 20 and 60 years and the maximum sum insured available is \$120,000.

LIVING BENEFIT — The Triple Protector Plan provides a living benefit in cash directly to the insured. Unlike life insurance, clients receive the benefit upon the diagnosis of a critical illness, when they are still alive.

LUMP-SUM PAYMENT — Clients receive this benefit as a lump-sum payment and this money can be used for any purpose, whether medical or recuperative, such as rehabilitation, caregivers and transportation.

ADDITIONAL BENEFIT — This benefit is not affected by other insurance payments.

NO MEDICAL EXAM REQUIRED — Applications are accepted or rejected based on answers on a short questionnaire. If the answers are in the negative, the policy is issued with no underwriting.
