

Flood Relief - Property and Non-Motor Claims - What to Do

Your safety and swift recovery is our top priority at Sagicor General Insurance. Here are some tips to help you stay safe and return to regular daily life after the recent flood.

What to do:

1. Do not start your vehicle if it was involved in a flood.
2. Have your vehicle cleaned as soon as possible if it was involved in a flood.
3. Promptly report all claims, even minor ones. Do not speculate about the severity of the damages
4. Take pictures of the damaged property, items and the surrounding areas including outside the premises
5. Keep all invoices/receipts to present for your claim
6. For professional adjusting contact the claims department at 623- 4744

If you have experienced any damages to your vehicle, property or contents, kindly visit our website at Sagicor.com to access our editable claim forms:
