Sagicor

At your business, or on the road, accidents can happen any moment. Protecting your business from damage or loss is paramount to the continuity of any business entity.

Accident insurance provides the policy holder with payment made directly to the insured in the event of an accident resulting in injury or dismemberment to the insured person up to and including the death of the insured individual. Accident insurance can also provide payment to a predetermined beneficiary or an estate in the event of death resulting from the accident.

See list of Business Accident Insurance Policies below:

- Burglary
- Money/ Cash In Transit
- Goods in Transit
- Fidelity Guarantee
- All Risk
- Travel
- Personal Accident (Individual/Group)

Burglary Insurance

Your business gives you enough to concern yourself with without having to think about potential loss due to theft or burglary. Protect your business by buying a policy that will cover you against any loss or damages resulting from burglary.
