

overview

The Life Protector III plan offers financial protection and freedom if you are afflicted with a critical illness. It provides a living benefit to address the health costs, general financial challenges or simply to make the most of today if you are diagnosed.

CRITICAL ILLNESS — Lump-sum payment upon diagnoses of heart attack, stroke, coronary artery bypass, heart valve replacement, cancer, major organ transplant, paralysis, multiple sclerosis, coma, major burns, blindness, Alzheimer's disease, benign brain tumour, deafness, kidney failure, loss of limbs, loss of speech, motor neuron disease, Parkinson's disease, aortic surgery and loss of independent existence.

RETURN OF PREMIUM — Life Protector III also gives you and your family peace of mind by refunding all premiums to your beneficiary if death were to occur prior to age 70 without a claim against the policy.
