BY De-Ann Smith Posted November 10, 2022

We at Sagicor, celebrate with Antigua and Barbuda, Dominica, and Barbados this month for their independence celebrations! Independence is often associated with the word freedom! Freedom to take care of yourself, freedom to make the best choices for yourself and family, freedom to live life the way you desire.

As we celebrate this month with 3 of the islands in which we operate and serve, we've decided to look at the word freedom! What does **freedom** mean to you? Let's tell you what it means to us. But first, here are a few definitions we found online.
