

# Adopt-A-Class Program

Members of the Scottsdale office participated in their annual Adopt-a-Classroom event in which they visited a 2nd grade class at Wilson Elementary School in downtown Phoenix.

To help provide children with cheer during the holiday season, Sagikor staff provided snacks and juice boxes, toys from "Santa's Wish Lists", a pair of shoes, socks, clothes and a jacket for each child. What's more, the teacher also received a special present from us! The day started with Santa and his Sagikor elves paying a visit to the classroom. Santa read books and passed out a few toys from their "Wish Lists".
