Sagikor sponsors one of the top teams in the NHL, the Tampa Bay Lightning. The Tampa Bay Lightning have received a lot of positive attention over the last few years for their outstanding play on ice, charitable work in the community and the team owner's development plans for the area surrounding the hockey arena in downtown Tampa.

Bolt Run: With over 3,000 runners, the Bolt Run takes place in October each year and raises money to support multiple charities across the Tampa Bay region.
