

St. Mary's Food Bank

The Arizona staff regularly volunteers at St. Mary's Food Bank by helping this organization collect and distribute food to those in need. St. Mary's mission is to alleviate hunger through the gathering and distribution of food while encouraging self-sufficiency, collaboration, advocacy and education. In addition to our volunteering activities, Sagikor staff members held office fundraisers throughout 2018 to account for a total of 16,639 meals that St. Mary's can help provide to individuals and families throughout their community.
