

Sagicor applauds all our Frontline heroes as we combat the COVID-19 virus. You are nothing short of heroes and we want you to know: ‘We see you!’

To continue our commitment to those who serve us well and actively work by risking their lives to protect us or provide us with essential services, we honour you with a plan exclusively designed for active frontline workers. Sagicor's Frontline Heroes Plan offers Group Life Insurance with Accidental Death and Dismemberment (ADD) and Critical Illness (CI). Coverage is also extended to spouses and dependent children.
