2020 is Your Year!

BY De-Ann Smith Posted February 06, 2020

2020 is your year. Why? Why not? It's the start of a new decade, so let's get going. Sagicor is here to help you with both your short-term and long-term goals. What do you want to accomplish in this next phase of your life?

I want to purchase a new home

Are you ready for a new home or found your dream spot to build on? Sagicor offers mortgages, residential land loans and home equity financing for all those necessary upgrades to your home. We know as exciting as the planning stage can be, it could also be equally overwhelming. No worries – check out our mortgage calculator! It helps you to determine an approximate monthly payment so you can start to budget and plan even before sitting with us.

I want to protect my health

We never know what tomorrow will bring. The right health insurance ensures you and your family have access to the best medical care. Sagicor's CariCARE™ cards facilitates instant claim settlements at local participating health providers. It allows you to bypass paperwork by swiping, receiving your coverage and processing your claim upfront. Let's cover you and your family's doctor and dental visits, prescriptions and more.

I want to protect my vehicle

By law, we must all have motor insurance to protect the vehicles we own before hitting the road! A responsible driver wants protection for themselves as well as others. Sagicor offers third party and comprehensive policies. Also check out our Young Professionals' motor policy which offers you more than you expect! This all-in-one motor policy covers household contents, laptops, phones, medical expenses and up to 50,000 personal accident coverage.

I want to Invest

The sooner you start investing, the better off you'll be. Taking an early interest in your finances, will be a determining factor in how comfortable you live in the future. Before investing, you should know where you are and decide where you want to be. Where does Sagicor come in? We will determine your risks and put together a plan for you to reach your goals. Come in for a one on one so we can help you manage and find the best strategies.

I want to plan for retirement

You've worked hard, provided for the home and you're currently putting the kids through university. You've constantly made everyone around you comfortable. It's soon time for you to stop working and start living! Retire comfortably with Sagicor's Millennium Saver. The best part is, you can contribute any amount to this retirement plan.

I want to protect my business

Finally decided to take the plunge and start your new business this year? Let's cover your business so you can focus on making it to the top! We all know starting a business isn't easy. Think ahead; your business may not be where you want it to be right now, but it's going to get there! Protect your assets against fire, burglary, natural disasters and more. This uniquely bundled policy provides all the different types of insurance your business needs in a single policy, helping to protect your business against unexpected losses.

I need to increase my savings

Saving is usually ranked high on most new year lists. Remember when life was simple? When we could ask our parents for money? Well look at us out here adulting and planning for our future. Most physical things we want to achieve require money. What are you saving for? Home, retirement, kid's education? Get prepared for wherever life takes you with the Sagicor Saver Series.
